- No minimum fundraising requirement
- Prize for top fundraiser

FUNDRAISER DETAILS (PARENT-FRIENDLY)

- Virtual coupon delivered within 10 business days
- Redeem at any participating Krispy Kreme location
- Proceeds support TBBC programs
- Parents only need to help share the links

MEALS & LOGISTICS

- Lunch provided at every event
- Parents drop off and pick up on time
- Clear communication in advance

MENTORS & SAFETY

- Background-checked mentors
- CPR & First Aid Certified support at every event
- Experience with diverse students
- Volunteer-led program

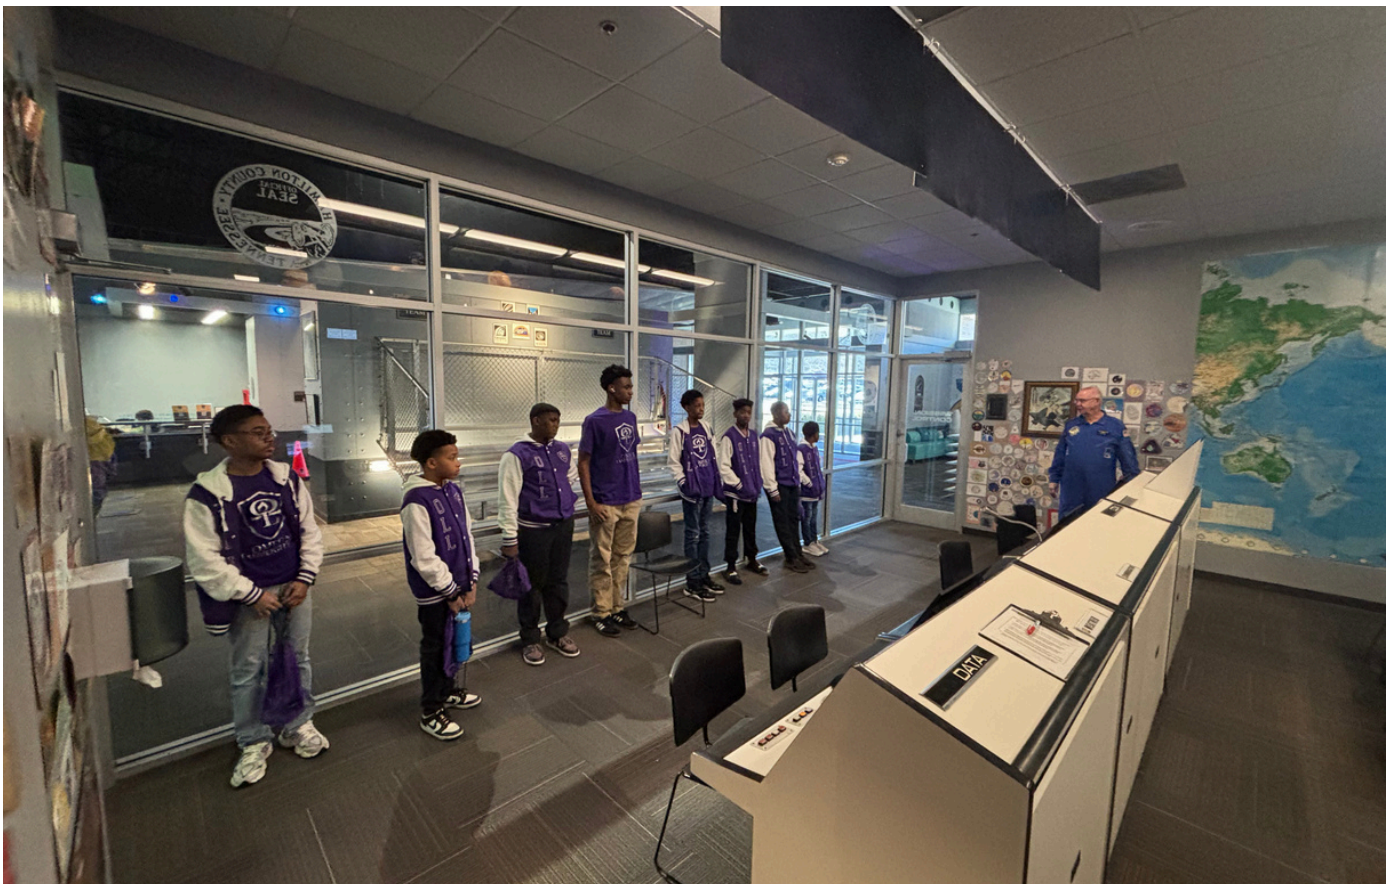

PARENTS AS PARTNERS

- Email, GroupMe & Calendar Invites
- Parents invited to select events

FIT MATTERS

- Participation should be voluntary.

FREQUENTLY ASKED QUESTIONS

Is the program really free?

Yes. The Navigators Mentoring Program is completely free for all accepted students.

What is the time commitment?

Most months include one Saturday event lasting approximately four hours. There are a few planned exceptions, which are communicated well in advance.

What happens if my child misses an event?

Students are expected to attend **at least 70% of all scheduled events**. We understand that conflicts happen, but consistent attendance is important for students to fully benefit from the program.

Who is responsible for drop-off and pick-up?

Parents and guardians are responsible for dropping off and picking up students on time.

- For local events, drop-off and pick-up occur at the event location.
- For out-of-area events, families will drop off and pick up students at a **designated meeting location**, where we will travel together.

Will my child be provided food?

Yes. Lunch is provided at every Navigators event, so parents do not need to make meal arrangements.

How does the Krispy Kreme fundraiser work?

Each mentee will receive an **individual QR code** linked to their personal fundraiser. Students can share their link with family and friends.

- Donors receive a **virtual coupon within 10 business days**
- Coupons can be redeemed at a participating Krispy Kreme location
- There is **no minimum fundraising requirement**
- A prize will be awarded to the student who raises the most funds

All proceeds directly support the programs and initiatives of **The Bridge Builder Collective**.

How do you ensure student safety?

All mentors complete background checks and have experience working with students from a variety of backgrounds. Students are supervised at all events, and safety is always a priority.

What behavior is expected from students?

Students are expected to:

- Be respectful to mentors and peers
- Participate with a positive attitude
- Respect the time and effort of volunteer mentors

If a student is not interested in participating, we ask that families **do not force participation**.

How will families receive updates?

We communicate through email, GroupMe, and calendar invitations. All important information, dates, and reminders will be shared in advance.
